The Theatre Arts major blends hands on experience in production with foundational training and advanced study. A core liberal arts base of coursework serves intermediate and advanced study in the classroom, rehearsal room, studio, and theatre. Students have the option to specialize in one or more of three areas of emphasis (performance/directing; design/tech; history/dramaturgy/criticism). Faculty advised capstone experiences, directed studies, and special projects complement coursework. All majors are mentored by leading professionals who are also passionate teachers. Theatre Arts majors regularly work alongside faculty, graduate students, teaching artists, and professional guests.

The department provides experiences in many areas of theatrical production, training, and study. Theatre Arts boasts a robust production season of three to five main stage shows directed by faculty or guest directors, and three to twelve lab shows directed by graduate or advanced undergraduate students. The department regularly hosts guest artists for additional workshops, lectures, and talks. Auditions for all productions are open to majors and non-majors alike.

Theatre Arts majors regularly secure internships, apprenticeships, and employment in theatre production upon graduation. Theatre Arts majors have successfully gone on to graduate training programs in performance, design, and history. Still other graduates find their Theatre Arts BA excellent preparation for law school, medical school, or other fields of employment that prioritize communication, project management, and creativity.
