Classical Civilization Minor

www.Classics.Pitt.edu

Revised: 05/2019

Classics is an interdisciplinary program devoted to the study of the ancient Greek and Roman civilizations. Students may focus on the classics language track or the classical civilization track. Besides the sequences in the Greek, Latin, and Sanskrit languages, the department offers courses in Greek and Roman archaeology, art, history, linguistics, literature (including comparative literature), mythology, philosophy, and social history.

Required courses for the Classical Civilization minor

The Classical Civilization minor requires 15 credits of coursework for completion, detailed as follows. This minor does not require any language courses, but students may apply language courses toward the elective requirement.
