Revised: 10/2018

Overview

The Less-Commonly-Taught Languages Center (LCTL) at the University of Pittsburgh has provided language instruction in LCTL languages for decades, with most of the current languages being offered continuously for 10 years or more. Students taking a LCTL language learn to speak, listen, read, and write in that language, just as students in commonly taught languages do. Our students stand out as individuals with a rare skill (at least for an American context), which may put them at an advantage for future job opportunities. This minor synergizes with University Center for International Studies (UCIS) certificates, acting as a stepping-stone for students working towards those credentials.

The minor requires 17 credits for completion, detailed as follows. The first two required language courses are 4-credit courses; the rest of the courses are 3-credit courses.
